## 8. ACCREDITATION

For more information, see **The World Games 2022 Bulletin No.5** (click [here](#))

### Athletes (*Category: IF Passport Holders*)

The accreditation will cover local transportation within the Games transportation network (airport, venues, athletes' villages), 3 meals per day at the athletes' village, and access to all sport venues. Athletes are welcome to attend other sports, however, seating at other sports' venues is limited and there will be no guarantee of the seats.

### Team officials (*Category: Extra Official*)

The "Extra Officials" accreditation will grant local transportation within the Games transportation network (airport, venues, athletes' villages), 3 meals per day at the athletes' village, and access to the respective competition venue of the sport. *Note: the cost of accreditation is at the expense of National Federations.*

### Opening & Closing Ceremonies

In addition, the accredited participants will have the possibility to attend the Opening and Closing Ceremonies, at your own cost for accommodation for extra night(s) required.

### Accreditation Center

All attendees will pick up their credentials from the UAB accreditation center located on the first floor of **Blazer Hall at 920 16th St S, Birmingham, AL 35205**). In principle, the Accreditation Center will be open from 8am to 6pm each day.

However, a credential is required to enter the Halls (accommodation). Therefore, on arrival days, the Accreditation Center will be open until the last arrival, according to team's travel information. If your flight is delayed and you will arrive late, please text 001-806-223-4936.

To obtain a credential, the following must be provided, in addition to your **passport**:

IF Passport Athletes	IF Passport Officials	Extra Officials
<ul style="list-style-type: none"> <li>Signed TWG Participant Release</li> <li>Signed Athlete Consent Form</li> <li>Signed General Consent Form</li> <li>Proof of Insurance</li> <li>Payment of all unpaid invoices, if any</li> </ul>	<ul style="list-style-type: none"> <li>Signed TWG Participant Release</li> <li>Signed Officials Consent Form</li> <li>Signed General Consent Form</li> <li>Payment of all unpaid invoices, if any</li> </ul>	<ul style="list-style-type: none"> <li>Signed TWG Participant Release</li> <li>Signed General Consent Form</li> <li>Payment of all unpaid invoices, if any</li> </ul>

## 9. ACCOMMODATION AND MEALS

For more information, see **The World Games 2022 Bulletin No.5** (click [here](#)).

University of Alabama-Birmingham (UAB) will be the location for the Athletes' Village and Sport Climbing athletes and team officials will be assigned in the UAB.

**Athletes (Category: IF Passport Holders):** The BOC will cover all costs related to accommodation, catering, and local transportation for the participating athletes. In principle, athletes from inside the USA may arrive two (2) days prior to the start of the competition. Athletes from outside the USA may arrive three (3) days prior to the start of their competition, with the right to obtain a Jetlag Day, as shown below:

11 July	Jetlag Day (Arrival Day for <b>IF-Passport holders</b> outside USA)
12 July	Arrival day (for <b>IF-Passport holders</b> inside USA)
13 July	Athlete's Night
14 July	Speed (Men, Women)
15 July	Boulder (Men, Women)
16 July	Lead (Men, Women)
17 July	Departure TWG Closing Ceremony (Optional)

**Team Officials (Category: Extra Officials):** Limited capacity of rooms for team officials will be available at the UAB at own costs, subject to the BOC confirmation on the room availability and the payment completion. Due to the limited inventory, there is no guarantee for Extra Officials to be housed at the Athletes Village.

**Catering at Athlete's Village:** Meals will be served at the **Dining Commons** on the UAB – Athlete's Village. Due to the requirements of the FDA (U.S. Food and Drug Administration) and the County Health Department, it is essential that athletes, coaches and officials attempt to eat every meal at the Athlete Village Dining Commons, with the following operating hours:

Breakfast 6:30am – 10:00am

Lunch 12:00pm – 4:00pm

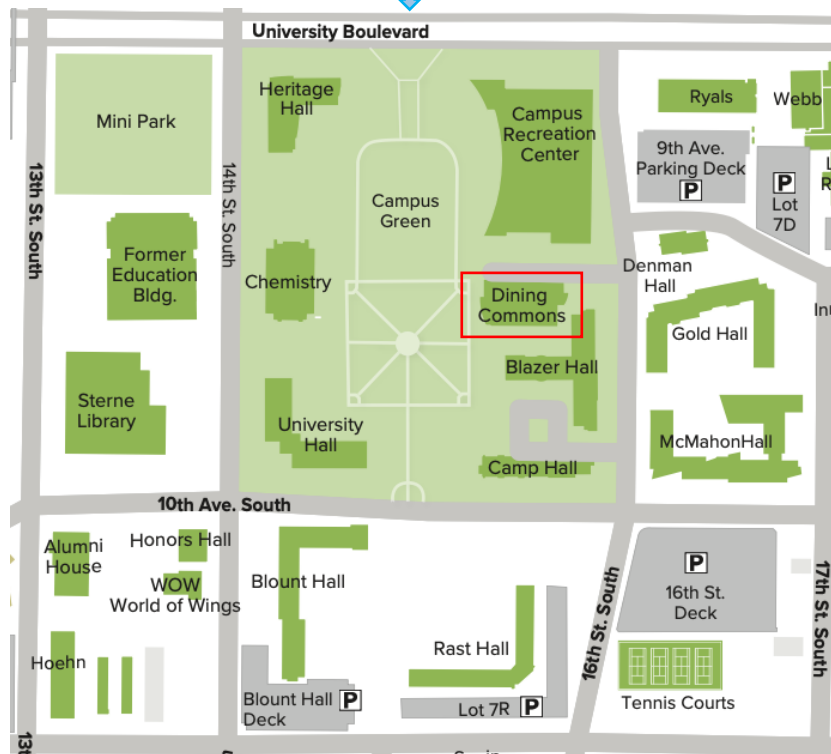

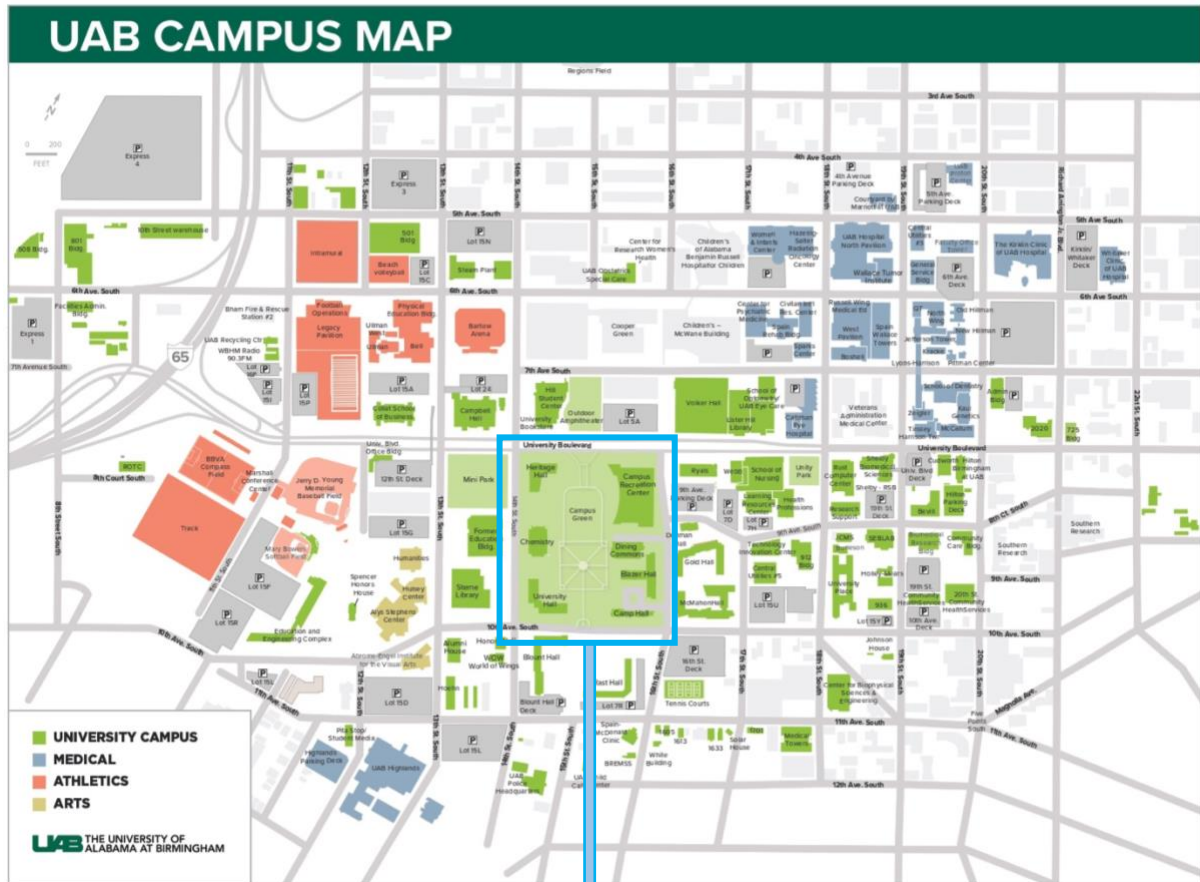

Dinner 6:00pm – 10:00pm

**At the competition venue:** There will be no hot/cold meal options at the competition venues. Due to the requirements of the FDA (U.S. Food and Drug Administration) and the County Health Department, the BOC will provide only non-TCS (time and temperature control) food items, such as peanut butter & jelly sandwich, tuna pouch, trail mix, granola bars, protein bars, and fresh fruits, etc. at the venue.

### 13. VISA & TRAVEL INFORMATION

For more information, see **The World Games 2022 Bulletin No.5** (click [here](#)).

#### BEFORE TRAVELLING

Travel and entry requirements to the United States: please check BOC's International Travel & Visas page at <https://twg2022.com/international-travel-visas>

#### Visa:

To determine if you require a visa to the United States, please refer to the Birmingham Organizing Committee's **Visa and Entry Handbook** ([here](#)). If you need invitation for visa, please contact [sport@ifsc-climbing.org](mailto:sport@ifsc-climbing.org) immediately.

Due to the COVID pandemic and consulate closures all over the world, it is highly recommended that athletes/officials start the visa application process and schedule interviews as early as possible in US consulates or embassies closest to their place of residence. For urgent issues, [travel@twg2022.com](mailto:travel@twg2022.com) may assist you with providing contacts and facilitating interviews on time.

#### Arrival

Upon landing at Birmingham Shuttlesworth Airport (BHM), the participants will already have cleared customs in their first port of entry airport. Upon landing and debarking from the aircraft, those arriving on Southwest Airlines and United Airlines will follow the signs to baggage claims 1 and 2. Those arriving on American Airlines and Delta Airlines will follow the signs to baggage claims 3 and 4. There will be BOC volunteers at the top of the escalators directing the participants to their respective baggage claims.

The World Games 2022 welcome desk will be set up for those who collect their baggage from baggage claims 3 and 4. Once these participants collect their baggage, they will proceed to the welcome desk where a BOC volunteer will escort them to the Welcome Room which is on the other side of baggage claims 1 and 2. For those who collect their baggage from baggage claims 1 and 2, they will proceed directly to the Welcome Room.

The World Games 2022 Welcome Desk will close for the evening after the last flight arrival that day. Representatives of the BOC Transportation Team will take teams and individuals through their arrival manifest to clarify who has proper transportation privileges to get escorted from the Welcome Room to their respective modes of transportation.

## 14. MEDICAL INFORMATION – UPDATED

For more information, see **The World Games 2022 Bulletin No.5** (click [here](#)).

### Personal Medical Insurance:

**All athletes must have a valid medical insurance in order to receive accreditation**, either personal or provided via your organization. Athletes should have valid coverage for training and competition. Temporary athlete competition (Chubb) and travel medical insurance (IMG) are available for purchase as of May 1st via BOC benefits portal: <https://theworldgames.benefithub.com/>. Cost depends on age and term of coverage, however most policies should be in the \$60-\$100 range for a 30 day period. Proof of insurance must be provided at the accreditation center. Chubb and IMG policies are brokered by LBA Consulting via Benefits for Everyone. A language bar is available at the bottom on their webpage.

### FICS

The medical services will be available at the competition venue by the organizer. In addition, provided by the *International Federation of Sport Chiropractic (FICS)*, there will be chiropractic services made available to all accredited athletes during TWG 2022.

## Protocol For COVID-19 Safety – Updated 12 June 2022

The purpose of this The World Games 2022 Protocol for Participant COVID-19 Safety (**TWG Protocol**) is to help prevent the spread of SARS-CoV-2 and COVID-19 (**COVID-19**) during The World Games 2022 and avoid serious disease for all participating athletes, officials, staff, and related personnel (**Participants**). Concurrent with the primary goal of safety, this TWG Protocol seeks to balance protection against COVID-19, while avoiding unnecessary operational disruptions, including to competition schedules and gameplay. This TWG Protocol is fundamentally informed by and derived from guidance issued by the U.S. Department of Health & Human Services' Centers for Disease Control and Prevention (**CDC**). Given the evolving nature of scientific consensus and understanding of COVID-19, and thereby the CDC's guidance, this TWG Protocol is subject to change and may be modified from time to time, including through the completion of The World Games 2022.

The guidance in this Protocol is intended to supplement, not replace, any applicable federal, state, or local health and safety laws or regulations, which are subject to change, outside to control of The World Games 2022 organisers, and will apply and be followed for the duration of The World Games 2022.

## 1. Vaccination

- All Participants are **required** to be fully vaccinated with the primary series of an accepted COVID-19 vaccine, subject only to religious or medical exemptions. At this time, while this TWG Protocol permits religious or medical exemptions, the United States requires all non-US citizens or non-US immigrants, to be fully vaccinated with the primary series of an accepted COVID-19 vaccine prior to travel to the United States by plane. Below are links outlining what constitutes an acceptable vaccine and being fully vaccinated, as well as the forms for claiming either a religious or medical exemption to the vaccine requirement.

- [Acceptable Vaccines](#)
- [Fully Vaccinated Definition](#)
- [Religious Exemption Form](#)
- [Medical Exemption Form](#)

- As noted in the preamble, state or local rules will apply, including for access to all facilities in which The World Games 2022 will take place. At present neither the City of Birmingham nor the State of Alabama has vaccination requirements with certain exceptions, such as for workers in healthcare facilities.

## 2. Testing, Screening, and COVID-19 Surveillance

- **Onsite Testing Services:** TWG2022 has contracted with a local, high-quality healthcare provider who will conduct laboratory COVID-19 testing for Participants. This testing will occur via stations located in each Athlete Village location (UAB and BSC), as well as at the Sheraton Hotel. The exact location of testing stations will be provided prior to Participant arrival. Testing will be available daily, and hours of operation will be adjusted and clearly communicated based on the demand and local community transmission at the time of the games. Individuals who test positive through the contractor's medical testing system will receive an email or text message, with important information about isolation protocols.
- **Asymptomatic Testing:** There is no current requirement for asymptomatic testing, but all Participants are asked to promptly report symptoms and submit to testing, if they have symptoms of COVID 19, including but not limited to fever.
- **Symptomatic Testing:** Participants with COVID-19 symptoms, regardless of vaccination status, will be immediately isolated and tested. The individual will not be allowed to return to work, training, or competition until a negative test result is returned. It is the stated goal of the organizers of The World Games 2022 to ensure that Participants will be offered an antigen test, which will provide the most rapid test results. There will be no charge for this testing.

IFSC Partners

- **Testing and Quarantine of Exposed Persons:** Participants who are fully vaccinated who have experienced a close contact exposure will not be asked to self-quarantine and will be allowed to continue to work, train, or compete. Participants who are unvaccinated who have experienced a close contact exposure will not be allowed to work, train, or compete and will be asked to self-quarantine for 5 days from the date of the exposure. Regardless of their vaccination status, Participants who have had a close contact exposure with someone known or suspected of having COVID-19 will be tested upon request, at the expense of the individual.
  - **Testing for Departure from Birmingham:** For the Participants whose country of residence requires a negative test for re-entry, the organizers of The World Games 2022 will ensure access to testing prior to departure. It is incumbent upon each Participant requiring such testing to request it. The fee for testing will be \$100 per test. Testing turnaround times for PCR test are project to be 24 hours or less and turnaround times for antigen testing is approximately 20 minutes.
3. **Isolation, Quarantine, and Contact Tracing**
- [Current CDC guidelines](#) will be followed for Participants who test positive.
  - **Positive test notification:** Individuals who test positive through the testing system described herein will receive an email or text message with important information about isolation protocols. This notification will also be sent to the Local Organizing Committee's Chief Operating Officer and Medical Co-Chairs, as well as the IWGA Medical Chair. Individuals who test positive through external testing mechanisms are required to report positive test results to Local Organizing Committee Officials and will be expected to following local isolation protocols (see below).
  - **Isolation Protocols:** Based on current CDC guidelines, individuals who test positive will be asked to isolate for a minimum of 5 days from symptom onset and can return to routine activities on day 6, at the earliest, if all symptoms are resolved. However, asymptomatic individuals who return to routine activities prior to day 11 from symptom onset must continue to wear a well-fitting mask on days 6–10.
  - **Contact Tracing:** The Local Organizing Committee will provide a contact tracer who will attempt to identify any close contact exposures of Participants who are covid positive and notify such contacts, as soon as practicable in order to prevent further exposure.
  - **Treatment of COVID positive athletes, officials, and staff:** The testing contractor will screen Participants who test positive for their eligibility to receive antiviral medications (currently Paxlovid) prescribing this medication when appropriate, which medication can be obtained in

IFSC Partners

local pharmacies at the individual's expense. There is no obligation on any Participant to accept such medication, and the medication would only be prescribed with the Participant's consent. Participants requiring further or different treatment will be evaluated by the contractor and recommendations for treatments will be made to Participants who will have the option to accept or reject such recommendations. Participants with more exigent needs will be referred to local Urgent Care Clinics or Emergency Departments at the individual's expense.

- **Housing of COVID positive:** Participants who are housed in the Athlete Villages and test positive will be isolated in COVID-positive housing at the Athlete Villages.

#### 4. *Masking*

As noted in the preamble, state or local rules will apply, including for access to indoor facilities. At present neither the City of Birmingham nor the State of Alabama has in place masking requirements with certain exceptions such as in healthcare facilities. Local public health recommendations (Jefferson County Department of Health) will be followed, if community transmission levels change. However, if local rules do not require indoor masking (as they do not currently) and COVID-19 conditions are favourable regarding local community transmission (as they are presently), TWG2022 will not require masking.

- Masks will be offered at all housing entry ways for Participants staying within the Athlete Villages.
