INFORMATION REGARDING COVID-19 MEASURES: (as of June 19th) EVENT RESTRICTIONS

- The Addendum to IFSC Rules serves as the basis of all measures on site:
Masks are highly recommended indoors (isolation zone, call zone,..)
- In case of symptoms of a respiratory illness, people need to stay away from the event, unless they tested negative for Covid-19 since the symptoms appeared.

No more measures such as testing regimes or vaccination certification will be needed to take part in event. If the local regulations should change, the new measures will be communicated as soon as possible.

In case the measures change, they will be communicated as soon as possible in an updated info sheet.

PROTOCOL IN CASE OF POSITIVE TEST / SUSPECTED CASE OF COVID-19

SYMPTOMS:

You should take a test as quickly as possible. Test possibilities in Innsbruck can be found on the last page.

POSITIVE TEST:

If you have the virus, you must-self isolate for ten days from the first symptoms. All further steps will be coordinated with the local health authorities. After 5 days of quarantine, if you have no more symptoms your quarantine is eased: You are then allowed to travel and go outside, but only to places that are not crowded and where a FFP2 mask can be worn at all times.

If you still have symptoms after 5 days, you continue your quarantine until the 10 days are over or you can take a PCR test, if it is negative, your quarantine will be ended.

CONTACT PERSON:

- Persons who had face-to-face contact or were in the same room with a confirmed case for ≥ 15 minutes at a distance ≤ 2 metres
- Household contacts (people sharing a room/flat)

- Persons with the following types of contact in long-distance transport such as airplane, coach or train:
 - Direct seat neighbours of the confirmed case
 - Crew members or other passengers if one of the other criteria applies
- Persons who were exposed with high probability to a relevant concentration of aerosols, regardless of the distance to the confirmed case (e.g. partying)
- Persons who had direct physical contact (e.g. shaking hands) with a confirmed case

Rules for Contact Person:

Rules for Contact Persons depend on your status of vaccination/recovery:

1. If you are fully vaccinated (3 shots / 2 shots in case of Johnson) and/or recovered from Covid in the last 3 months, legally, you do not need to take any measures if you are a contact case. However, we still ask you to wear a FFP2 mask at all times if you find out you have been in close contact with an infected person to protect others.
2. If you are not fully vaccinated and have been in close contact with an infected person, you need to minimize your contacts immediately and face restrictions: Do not go to events / restaurants / bars / avoid public transport & wear a FFP2-mask while you are not in isolation. These measures can be lifted on the 5th day after having a negative PCR test result.

In any case (symptoms or positive test) the team manager has to inform immediately the COVID-19 Delegate (Julia Pinggera).

The person suspected must be immediately placed in a separate room and kept away from the event.

TRAVEL RESTRICTIONS WHEN ENTERING AUSTRIA

For entering Austria, no restrictions are in place. All people are allowed to enter Austria without any proof of low epidemic risk.

Please note: The restrictions might change and might also vary depending on the country you come from, so please inform yourself in time before your trip:

https://www.oesterreich.gv.at/en/themen/coronavirus_in_oesterreich/pre-travel-clearance.html

GENERAL COVID-19 MEASURES IN AUSTRIA

FFP2 masks are only obligatory in hospitals and comparable settings (doctors, therapists etc.).

All other restrictions (masks, testing regimes) have been eliminated in the last weeks.

However, wearing masks is still recommended for different settings in enclosed spaces such as: customer areas of supermarkets, pharmacies, drugstores and public transport.

Laboratories & Testing possibilities:

FREE PCR GARGLE TESTS - TIROL GURGELT

5 PCR gargle tests are available per person per month and can be picked up from and returned to various locations (such as supermarkets) in the region. Guests are permitted to enter the address of their accommodation when registering. Our guests can also enter their travel document number during the registration process instead of a social security number.
