Please check the APPENDIX I on how to enter in Italy

How to get to Brixen:

By Plane: The closest airports are Innsbruck to the north, Venice and Verona to the south. South Tyrol is less than two hours by car from Verona and Innsbruck. Additional airports in the area include: Munich, Treviso, Bergamo and Milan.

By Train: Brixen can be reached easily and comfortably by train.

From the train station take a bus to the competition venue or walk by foot (approximately 20min).

By car: If you're travelling to Brixen by car, the best route to take is via the A22 Brenner motorway (take the Brixen/Bressanone exit if you are travelling from the north and the Klausen/Chiusa exit from the south). There is a big parking space (charged car park) at the climbing venue.

RESPONSE PROTOCOL IN CASE OF POSITIVE TEST OR SUSPECTED CASE OF COVID-19

If I am feeling ill

If you have a cough or a temperature, stay at the hotel, avoid contact with others and call the COVID-19 Outbreak Response Coordinator Doctor.

You should take a test as quickly as possible.

If you have the virus, you must self-isolate. All further steps will be coordinated with the local health authorities.

If I have the virus

If you have the virus, you must-self isolate. All further steps will be coordinated with the local health authorities.

If I have been notified that I am a contact case

There is no longer a preventive quarantine for those persons who have had close contact with a person infected with Sars-Cov-2, but who do not show any symptoms. These persons are required to comply with the following self-administered measures: Until the 10th day after "close contact" with the infected person, these persons must wear an FFP2 mask and watch for the appearance of symptoms until the 5th day ("auto-sorveglianza"). If symptoms occur, a PCR or nasopharyngeal antigen test must be carried out, which - if symptoms persist - is repeated after 5 days after the last contact with the infected person.

In any case (symptoms or positive test) the team manager has to inform immediately the COVID-19 Outbreak Response Coordinator Doctor and the Technical Delegate.

The person suspected must be immediately placed in a separate room and kept away from the event.
